

We put water at the center of development

We are the Global Water Partnership

An international organization dedicated to strengthening water management, governance and water security worldwide.

- **3,000+ partner organizations in over 180 countries**
- **77 accredited Country Water Partnerships**
- **13 Regional Water Partnerships**

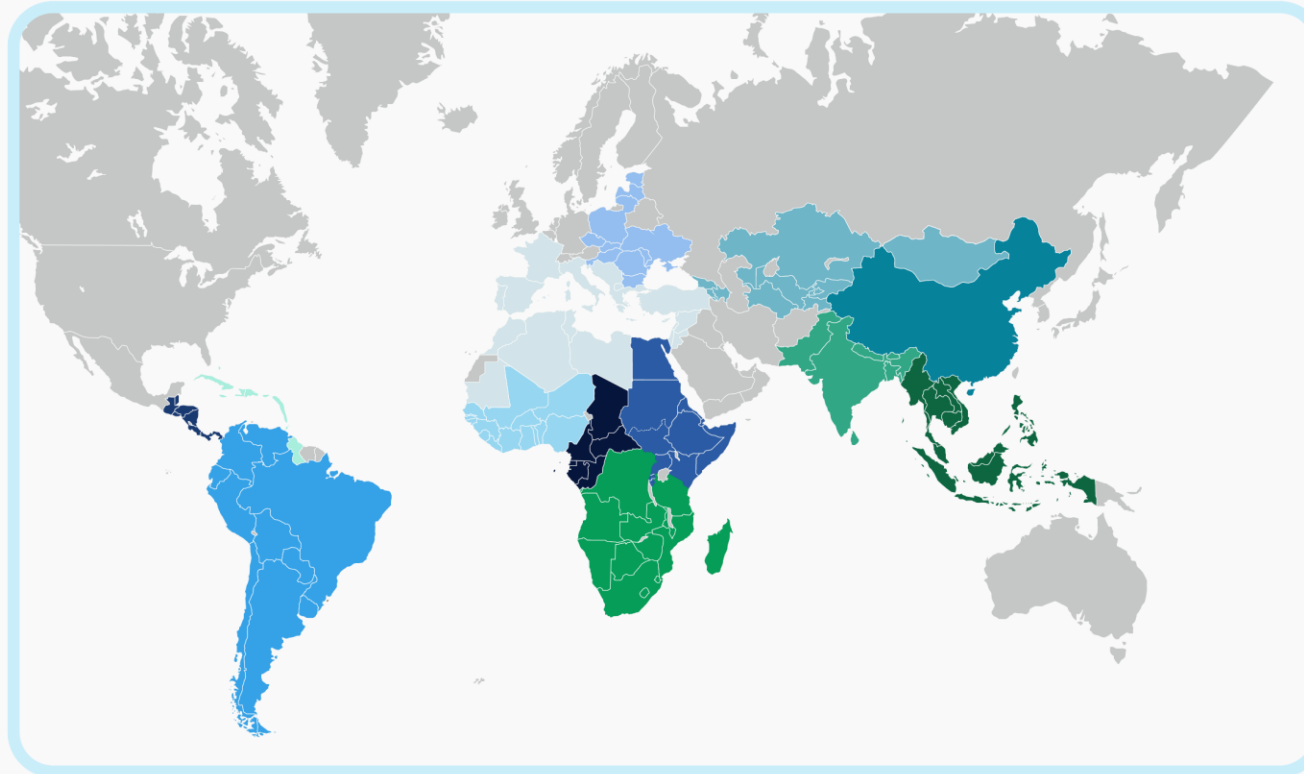

A Network of Partners

- Thematic/sector NGOs – 19%
- Government – 14%
- Private sector – 15%
- Research institutions – 7%
- International organisations – 1%
- Civil society NGOs – 18%
- Public agency, commission, regulatory bodies – 9%
- Education institutions – 9%
- Professional associations – 4%
- Other – 4%

- **Advocating, facilitating, and supporting change** processes for sustainable water management.
- **A neutral platform for multi-stakeholder dialogue** at global, national, and local levels that connects water resources planning and operations.
- **Contributing technical knowledge and building capacity** for improving water management.

OUR REACH

We comprise 3,000+ partner organisations in over 180 countries, influencing change from local to global levels.

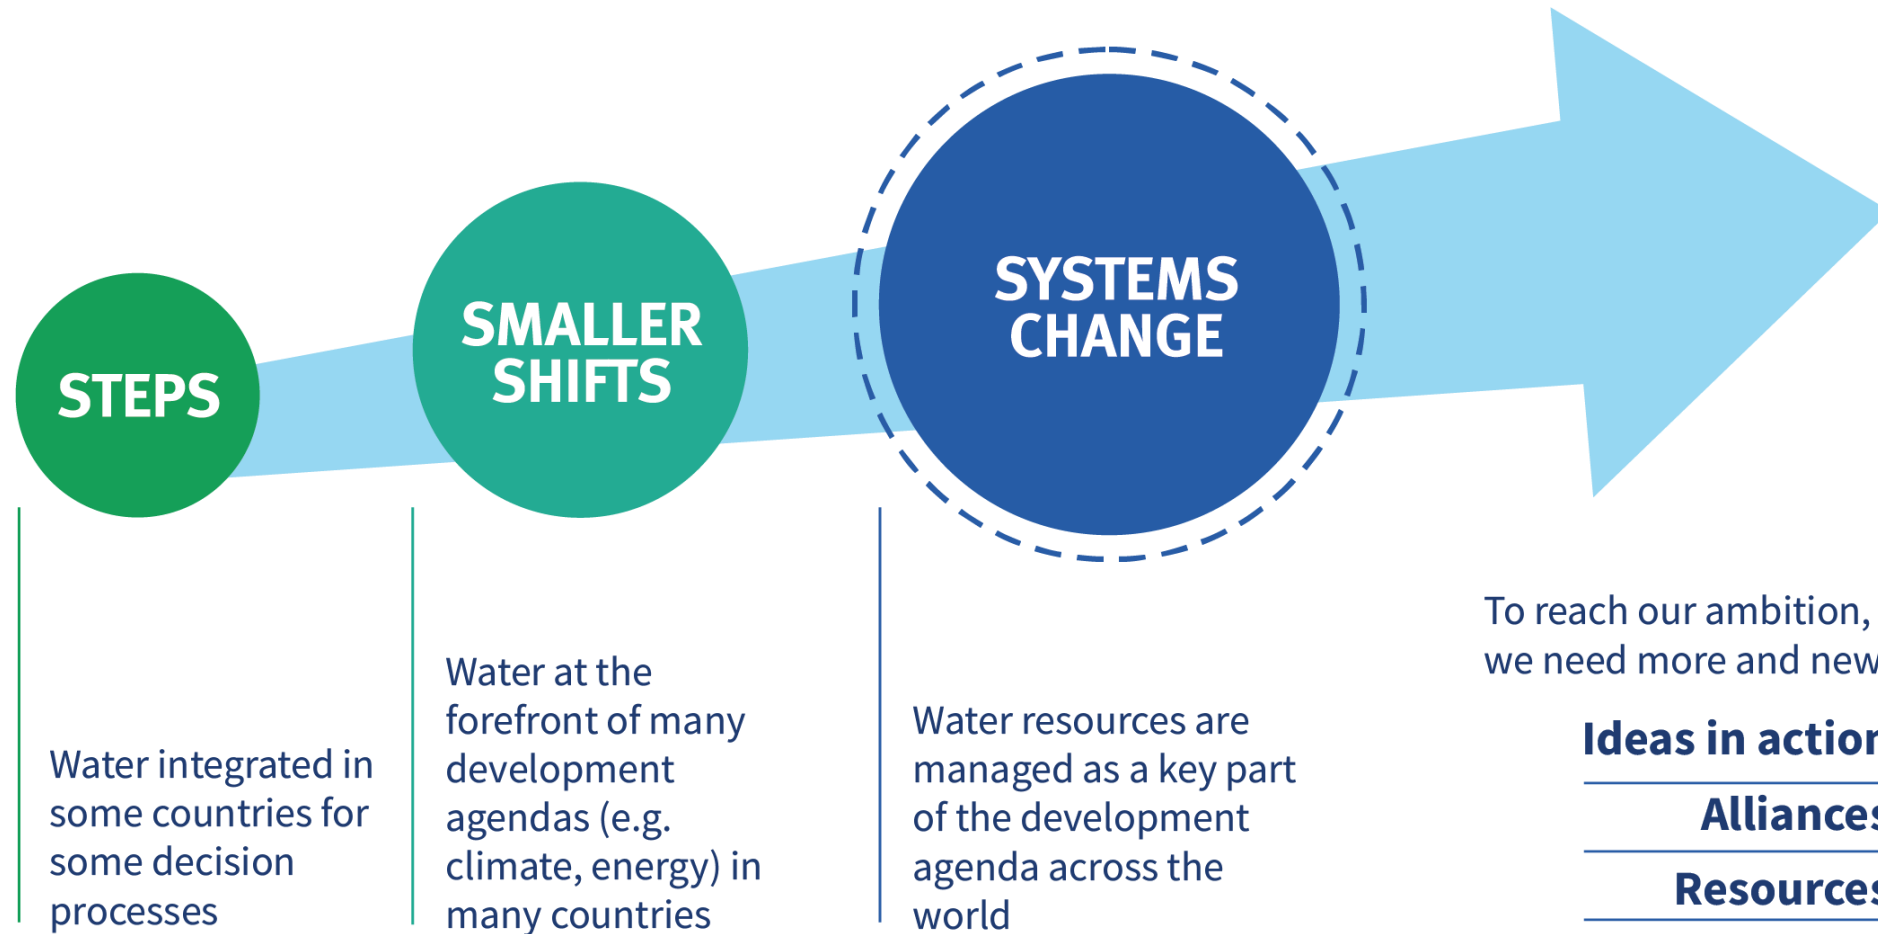

OUR NETWORK

65+ Country Water Partnerships and 13 Regional Water Partnerships convene and broker coordinated action of government and non-governmental actors.

OUR KNOWLEDGE

We draw on implementation experience at the local level and link it across our Network and to global development agendas.

Our ambition

Join the Partnership
