

A photograph of a woman and a young child standing in a rural, wooded area. The woman is wearing a colorful, patterned dress and a yellow headscarf, holding a large, multi-colored umbrella (red, green, blue, yellow) over both of them. The child is wearing a brown t-shirt and a colorful skirt, looking up at the woman. The background shows trees and a cow grazing in the distance.

## Climate resilient Water, Sanitation and Hygiene services

# *climateWASH*

*The session will be  
followed by the launch of  
the Strategic Framework  
and two technical briefs*

**GWP Booth (B17)  
12:30-13:00**

To bring coherence to the approaches of addressing the impacts of climate change on water, sanitation and hygiene services, UNICEF and GWP have developed a Strategic Framework for WASH climate resilient development. This session aims to enhance understanding of the Framework and discuss the need for cooperation to upscale climate resilient WASH services.

**Wednesday, August 26, 2015  
11:00-12:30**

**Venue FH 300, World Water Week**
