

# INVITATION

Global Water  
Partnership

World Water Week in Stockholm, 2015

Launch of **Gender and Water Policies in Africa**

Monday August 24, 2015 at 17.30 – 18.30

This publication examines the implementation of the AMCOW gender policy and strategy, and was conducted by the Institute for Women's and Gender Studies (University of Pretoria) and the Water Research Commission (South Africa), supported by GWP. Keynote remarks by **HE N. Mokonyane**, *Minister of Water and Sanitation, South Africa (TBC)*.
