

A water-secure world !

Member – IWMI Board of Governors

The Board of governors of IWMI is seeking to appoint new board members to the Board. There will be two positions in 2016 and two positions to be filled in 2017.

IWMI seeks to maintain a lively range of experiences and perspectives of the board, with gender and regional diversity being key considerations. Nominees with previous experience in board governance, financial literacy, research, development and civil society organizations, with private sector exposure and big picture thinking are invited to apply.

Candidates with the willingness to be considered as an IWMI Board Member should submit their nominations through third parties with their names, affiliations and contact details.

For a detailed description of Board membership requirements and responsibilities, visit http://www.iwmi.org/About_IWMI/Vacancies/pdf/vacancy-member-board-of-governors.pdf

Download the nomination form that has to be completed at http://www.iwmi.org/About_IWMI/Vacancies/pdf/template-nominee-for-iwmi-board-member.docx

Attach and send the completed nomination form to Shalini Kumaresan at s.kumaresan@cgiar.org by **July 31, 2016**.

IWMI is an equal opportunity and emphasizes the importance of regional and gender diversity in identifying candidates for this position and its staff more generally.
