## What is GWP-SEA WAY?

GWP's flagship Youth Programme aimed to build **YOUTH** interest, capacity and leadership in water governance and management and reenergize the GWP Network.

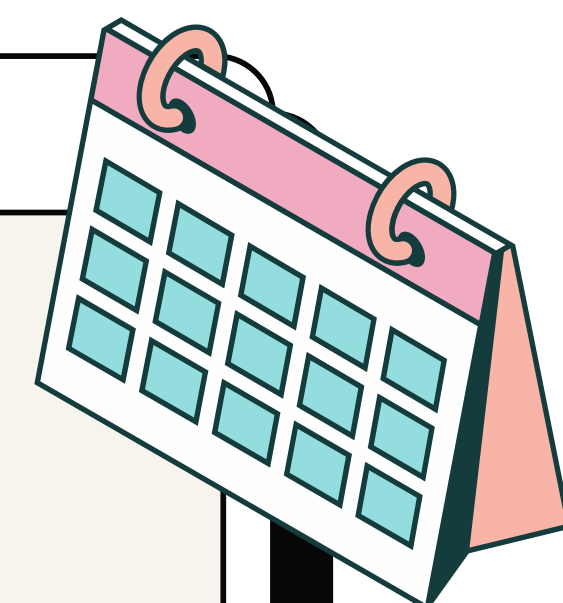

## TIMELINE

Open registration:  
28th of September 2022

Application deadline:  
9th of October 2022

Application decisions:  
12th of October 2022

Programme duration:  
17th October to 2nd  
December 2022

## OBJECTIVES

The (ONLINE) programme provides opportunities for YOUTH in the region:

1. To ground learning opportunities in practical experience in a relevant policy context to stimulate action between young people and decision makers
2. To have customised, interdisciplinary, and cross-sectoral courses, specific to local and regional needs
3. To build youth interest, capacity and leadership in water governance and management and reenergize the GWP Network
4. To create pathways for accelerated collaborative solutions on SDGs between decision makers and young water leaders for effective youth engagement in regions

# CURRICULUM

The GWP WAY is made up of four (4) major curriculum elements:

## Leadership and Skills Curriculum (C1)

focus on specific areas of soft skill development such as goal setting, decision making, listening, empathy, problem-solving and communicating through workshops and interactive sessions.

## Locally Centered Learning and Capacity Building Curriculum (C2)

immerse the participants in local issues and delve into a heightened understanding of the specific challenges that impact countries and regions.

## Scenario Planning and Problem-Solving Curriculum (C3)

focus on the various approaches to problem-solving and scenario planning building on the content from C2 and applying this to solve water challenges in the region/country

## Mentorship, solution transfer and inter-generational knowledge sharing (C4)

learn about the complexity of cross industry linkages and balancing the needs of society and environment. At the end of the entire programme selected participants will be given the opportunity to gain a fellowship/mentor resourced from the GWP partner organisations.

## ELIGIBILITY

- Must be a Southeast Asian national from GWP-SEA countries
- Fluent in English (TOEFL  $\geq$  500 and IELTS  $\geq$  6.0)
- Must be a youth with age between 18-35 years
- Youth from a range of different disciplines are welcome to apply, and there is no prior experience in the field of water is required
- Available to commit to an average of 3-hours of structured sessions per week with additional time as per tasks assigned
