

Global Water Partnership engagement at the United Nations High-Level Political Forum (HLPF), July 9-18, 2018

Monday, 9 July:

Review of SDG 6: Member States will make interventions during the official review of SDG 6. GWP's Central America Coordinator, Fabiola Táborá, will present progress in Honduras. GWP's Steering Committee Member, Mina Guli, will deliver a keynote.

Side event on the SDG 6 Synthesis Report: GWP's Executive Secretary, Monika Weber-Fahr, will moderate a panel at this UN-Water/World Water Assessment Programme (WWAP) side event (18:30-19:45).

Tuesday, 10 July (tentative):

Side event on Building Resilience through Water: Each organization (SIWI/GWP/WWAP/World Bank) presents messages, looking at how water is transversal across the SDGs so that Member States consider actions to better support how different sectors can utilize water to build resilience.

Wednesday, 11 July:

Water and faith communities towards achieving SDG 6: to foster partnerships, and showcase best practice, between faith-based organizations and the water sector to achieve SDG 6. GWP's Executive Secretary, Monika Weber-Fahr, will speak about GWP's experience in engaging with faith communities through multi-stakeholder processes in integrated water resources management. (14.00-16.00).

Friday, 13 July:

SDG Partnership Exchange (and Expo): GWP's Executive Secretary, Monika Weber-Fahr, will speak at the Partnership Exchange session, "Building an effective monitoring framework system for partnerships" (10:00 – 11:30).
