This event will launch the '2021 Progress Updates' reports for seven SDG 6 global indicators and feature an interactive discussion with the audience about how we are doing on SDG 6 and where we need to accelerate progress.

The event will be held twice for time zone and language reasons.

AGENDA

- Welcome and introduction by UN-Water
- Key findings on SDG 6 indicators by WHO, UNICEF, UNEP, UN-Habitat, FAO, UNECE and UNESCO
- Q&A with the audience
- Concluding comments by IMI-SDG6 Strategic Advisory Group

ALL REPORTS WILL BE AVAILABLE FOR DOWNLOAD ON THIS WEBPAGE (ON 23 AUGUST):
