

## Gender Mainstreaming in the Water Sector Clinic on Project Preparation and Financing

## 25<sup>th</sup> March 2019 Capital on the Park, Sandton, Johannesburg, South Africa

## **Meeting Objectives**

- To share experiences on approaches for addressing gender considerations in water projects: challenges and lessons learned.
- To collectively find solutions to better prepare gender sensitive water projects.
- To identify relevant tools for mainstreaming gender throughout the project development cycle.

## **Draft Programme**
