

Global Water
Partnership

Join us!

March 21, 2014
UNU Campus, Rose Hall (5F), Tokyo Japan
12:15–13:00

Launch of *Towards 2020*:
The Global Water Partnership's
2014–2019 Strategy
Lunch provided

This World Water Day, join the Global Water Partnership in launching *Towards 2020*, GWP's 2014–2019 Strategy.

Since 1996, GWP has learned from its worldwide network of partnerships that increasing water security on the ground requires sound policies, knowledge, and action. Join us as we highlight the challenges and opportunities we see as we move *Towards 2020*, and learn how we might work together to foster a water secure world.

Event Speakers:

Dr. Ursula Schaefer-Preuss, GWP Chair

Mr. Kenzo Hiroki, GWP Vice-Chair

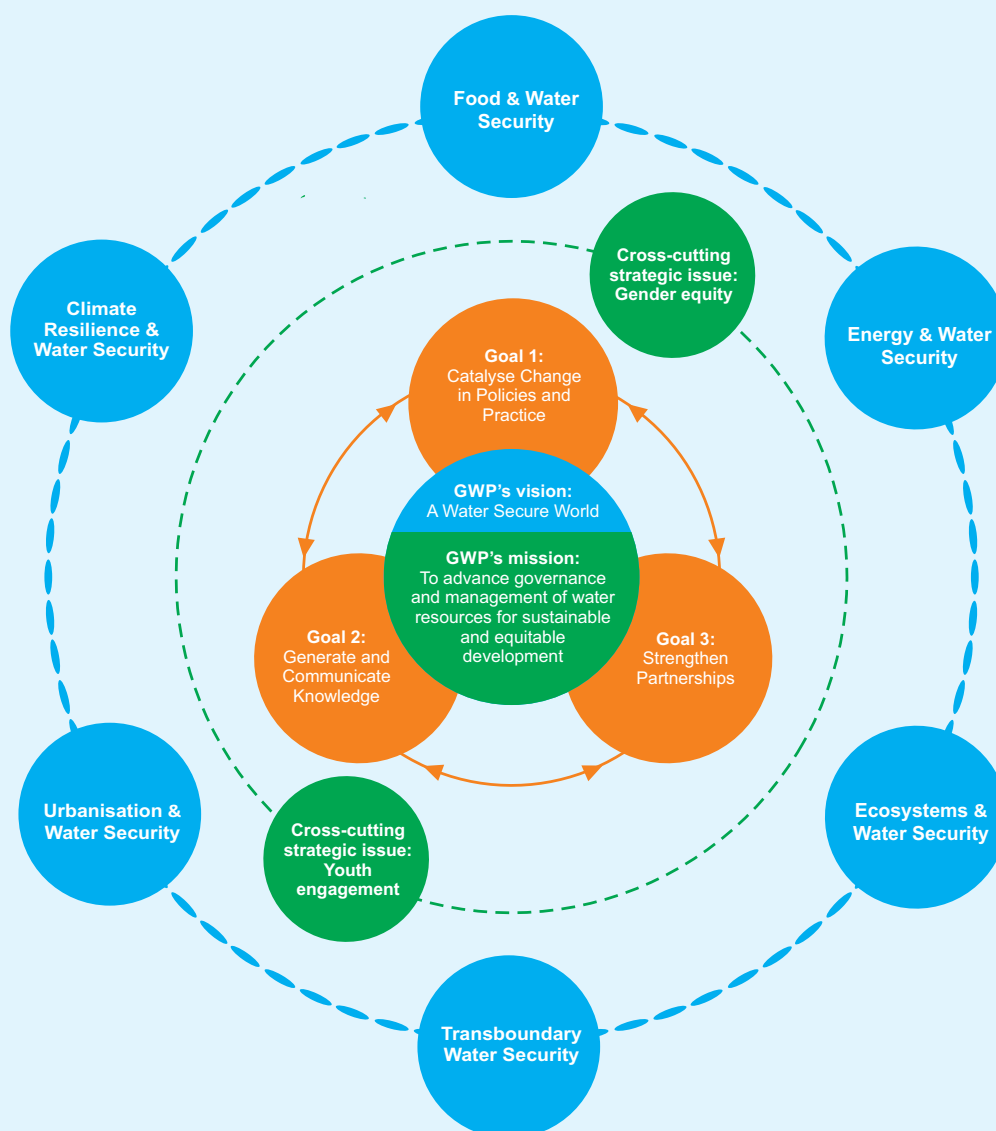

Prof. Khin-Ni-Ni Thein, GWP Myanmar

Moderator:

Dr. Ania Grobicki, GWP Executive Secretary

A Water Secure World

GWP Strategy: *Towards 2020*

Dr. Ursula Schaefer-Preuss, GWP Chair

Dr. Ursula Schaefer-Preuss is an economist who has been engaged in the field of development policy for more than 35 years. Prior to joining ADB, Dr. Schaefer-Preuss was Director General of Germany's Federal Ministry for Economic Cooperation and Development (BMZ), responsible for policies and principles of German development cooperation.

Mr. Kenzo Hiroki, GWP Vice-Chair

Mr. Kenzo Hiroki is Director for the Infrastructure and Exploration, Science and Technology Bureau, Cabinet Office, Japan. During 2005–2008, Mr. Hiroki was the Head of Secretariat of the United Nations Secretary-General's Advisory Board on Water and Sanitation (UNSGAB).

Prof. Khin-Ni-Ni Thein, GWP Myanmar

Prof. Khin-Ni-Ni Thein is Founder and President of the Water, Research and Training Centre, Myanmar. She has acquired a range of skills in civil and water resources planning and management engineering in the fields of advisory, consultancy, research, and training. Prof. Thein is Senior Advisor to the President at the Asian Institute of Technology and Visiting Senior Professor of Hydroinformatics at Yangon Technological University in Myanmar.

Dr. Ania Grobicki, GWP Executive Secretary

Dr. Ania Grobicki has degrees in Chemical Engineering from the University of Cape Town and in Economics from the University of South Africa, together with a PhD in Biotechnology from Imperial College, London. Dr. Grobicki's career has included experience in academia; in running her own consultancy; and in international organisations. Prior to GWP, Dr. Grobicki was Head of Secretariat for a forum on strengthening research for health, development, and equity worldwide.
