

INVITATION

Global Water
Partnership

World Water Week in Stockholm, 2014

Please come to the launch of GWP's Gender Strategy
and hear about our other recent publications and activities

Wednesday September 3, 2014 at 17.30

The GWP Gender Strategy will bring gender into the mainstream of GWP's work by providing a framework to practice gender- and women-inclusive approaches in support of our global strategy, Towards 2020: A Water Secure World.
