Re: Ms. Jamilla Sealy, Research Assistant at the University of the West Indies, Cave Hill Campus, Barbados

We are pleased to introduce Ms. Jamilla Sealy, Research Assistant for the Centre for Resource Management and Environmental Studies (CERMES) of the University of the West Indies, Cave Hill Campus, Barbados. Ms. Sealy is assisting in data collection for a study entitled 'Social Network Analysis of Caribbean Water Resource Professionals'. This project is being conducted at UWI, in collaboration with the Global Water Partnership–Caribbean and the International Research Institute for Climate and Society (IRI) of Colombia University in the United States. The project aims to contribute to a better understanding of connections between water managers in the region.

We would ask you to please assist Ms. Sealy in the completion of brief surveys to inform the study. The online surveys take approximately 15 minutes to complete and consists of two parts; Part 1 is not confidential and includes general information such as your name, title, organisation, and persons with which you communicate about water resource management, Part 2 (confidential) will be about the use of water resources related management information in decision making and participation in regional networks. Please note that you any opt out of the survey at any point if you so wish.

You can be assured that all information provided by you or your office will be used solely for the academic and research purposes. For more information and to indicate your interest in participating in this important study, please contact Ms. Sealy via email at [jksealy@gmail.com](mailto:jksealy@gmail.com) or by phone at 1-246-242-0665. Alternatively, you may contact us directly, see below.

Yours sincerely,
