GWP Central Asia and Caucasus (GWP CACENA) c/o ICARDA-CAC (GWP CACENA/IWMI), Apt 123, Block 6, Osiyo str,  
Tashkent, 100000, Uzbekistan Tel: +998 712 652 555, Fax: +998 711 665 097 Website: [www.gwp.org](http://www.gwp.org)

## 1. Webinar “Gender and Water Management in Central Asia”

Date: 25 May 2020

Organizer: CAAWA

Participants: state institutions, universities and civil society of the countries of Central Asia and Mongolia, including CWP-Kyrgyzstan (Total: 15 people)

Purpose: empowering women in the scientific, technical and political aspects of water management and climate change issues, building capacity, enhancing their career opportunities and involving them in decision-making processes to strengthen international cooperation.

### WEBINARS` SPEAKERS

Guldjamal Nurmuhamedova,  
Turkmenistan

Shohida Tulieva,  
Tajikistan

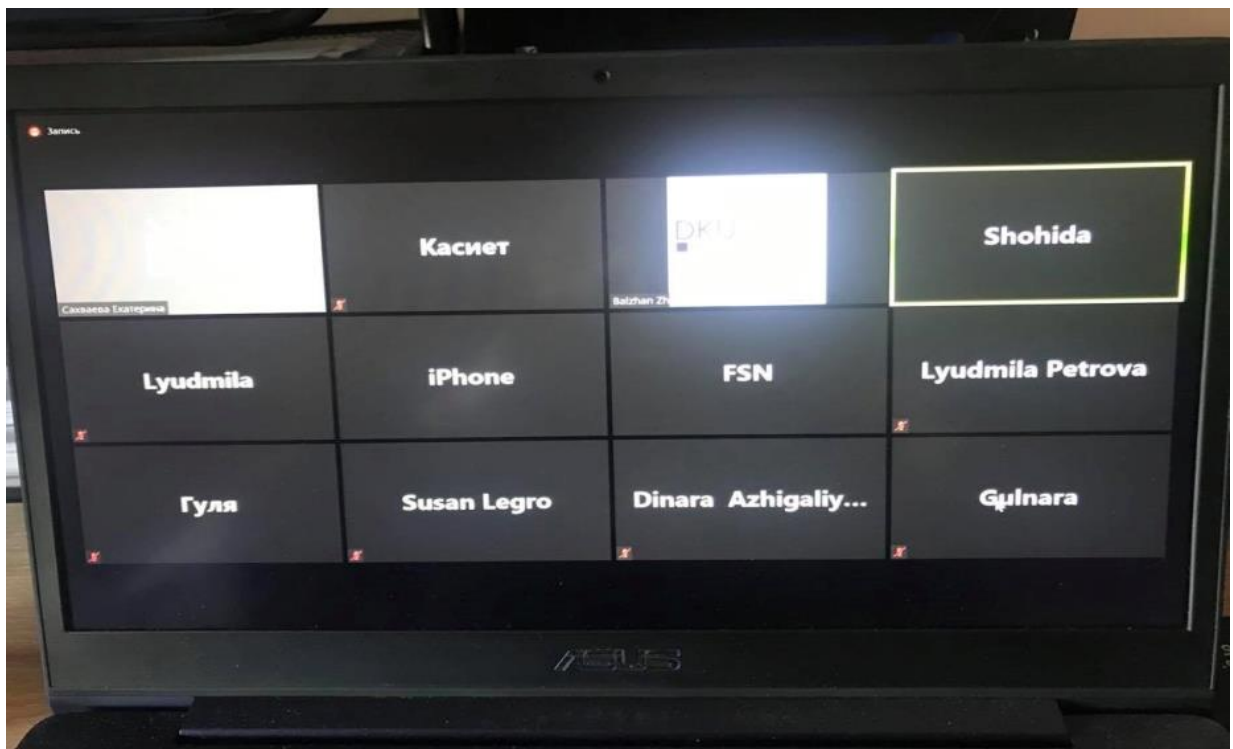

Ekaterina Sakhvaeva,  
Kyrgyzstan

Lyudmila Petrova,  
Kazakhstan

Fahima Sadeqinzhad,  
Afghanistan

## Agenda:

<b>Time:</b> 16.00 – 16.10	<b>Facilitator:</b> Balzhan Zhumagazina, regional coordinator of CAAWWA Introduction Welcome speech – Guldjamal Nurmuhammedova, President of CAAWWA
16.10 – 17.00	Presentations  - Balzhan Zhumagazina, about CAAWWA (10 min) - Guldjamal Nurmuhammedova, Turkmenistan, Country activities 2019 & 2020 (10 min) - Shohida Tulieva, Tajikistan, Water women forum as a platform for presenting the voice of women in the IWRM at the Syrdarya river basin level, (10 min) - Ekaterina Sakhvaeva, Kyrgyzstan, Results of gender analyses of water sector in Kyrgyzstan (10 min) - Fahima Sadeqinezhad, Afghanistan, Women and Water Education in Afghanistan (10 min) - Lyudmila Petrova, Kazakhstan, Women's right to water and sanitation (in terms of COVID-19)
17.00 – 17.20	Questions for discussion  What might be of interest to do in the near future: ideas for the future, meetings to participate in, actions that need to be done.  Q&A
17.20 – 17.30	Conclusion

## 2. TV discussion on water policy of Mongolia

Date: 20<sup>th</sup> of May 2020

Place: Press room of Ulaanbaatar TV of Mongolia

Organizer: CWP-Mongolia

GWP CACENA RC member Prof. Basandorj talked about:

- water management and policy;
- improvement of water institutions and IWRM;
- reducing water pollution and using water saving technologies;
- GWP Water ChangeMakers Awards.

### 3. Online conference on the project "Transboundary context of sustainable distribution of water resources"

Date: 2 and 15 May 2020 года

Organizers: International Center for Water Assessment (IWAC), UNECE

Participants: national experts from Central Asia, Russia, China, Iran and other countries, and the international experts and governmental representatives (Total: 24 people)

Main goal: to discuss the project results; to consider the structure of the regional technical report "Distribution of transboundary water resources. Ecological flow - the basis for the conservation of aquatic ecosystems"; to analyze the basic situation and the current state of water distribution in Central Asia; and to share visions of stakeholders on the current state of interstate (transboundary) cooperation and water distribution with neighboring countries.

The Institute of Water Problems, Hydropower and Ecology of the National Academy of Sciences of the Republic of Tajikistan (one of the main partners of CWP-Tajikistan) participated in this conference.

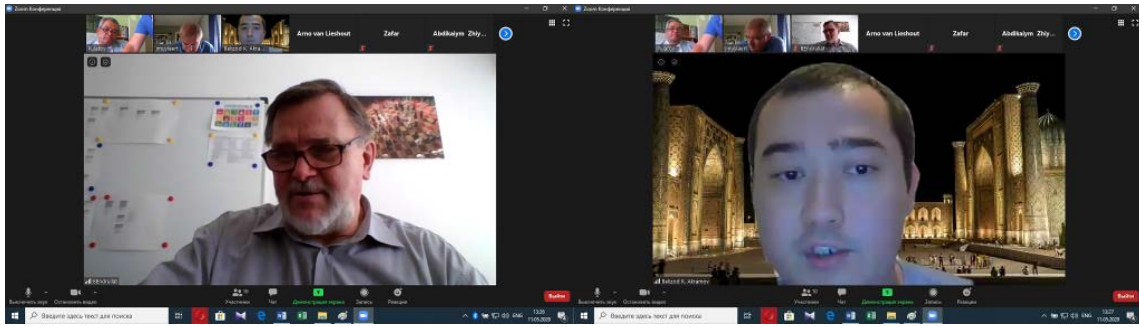

### 4. Online conference on the regional project TJ-2412 "Assessment of water and land resources in small transboundary river basins of the Amu Darya river basin using remote sensing data"

Date: 11 May 2020

Organizer: ISTC

Participants: ISTC; IWMI; Institute of Water Problems, Hydropower and Ecology of the National Academy of Sciences of the Republic of Tajikistan; Taraz State University; American University of Central Asia; BWO "Amu Darya"; international experts; CWP-Tajikistan (Total: 11 people)

Purpose: discuss the project results, the technical report for the 2nd quarter, further tasks and other issues related to the project.

## 5. International online conference "Problems and solutions for implementation of innovative technologies in the engineering communications"

Date: 21 May 2020

Participants: scientists from the Volgograd Polytechnic Institute of the Russian Federation and the Minsk Polytechnic Institute of the Republic of Belarus as well as the Samarkand State Institute of Architecture and Civil Engineering of Uzbekistan.

CWP-Uzbekistan partner Prof. Abror Gadoev made a presentation "Water well rehabilitation in Uzbekistan and Central Asian region".

[www.gwp.org](http://www.gwp.org)

The Global Water Partnership's vision is for a water secure world. Our mission is to advance governance and management of water resources for sustainable and equitable development.
