Work experience (Desired) (Cumulatively in the case of more than one Experts):

- Number (minimum 2) of assignments/projects in the past 10 years directly relevant to integrated natural resources management
- Number (minimum 1) of assignments/projects in South-East Europe

Evaluation Process and Awarding Criterion

The Award criterion is the most economically advantageous tender on the basis of best price / quality ratio.

Offers shall be evaluated as follows:

Offers qualified in terms of exclusion grounds and selection criteria will be further evaluated on the basis of the requirements presented under section “Qualification and Experience”, as follows:

(1) Criterion	(2) Weighting (w)	(3) Points of criterion (c)	(4) Score = (2) x (3)
Section 1: Expertise and work experience	80% total		
Required			
1.1 At least a Master’s degree in Public Policy, International Development, Development Economics/Planning, Public Administration and Management, or any other related field	5%		
1.2 Minimum 10 years of professional experience as a Team Leader in Monitoring and Evaluation of projects of international organizations and donors	15%		
1.3 Minimum 3 evaluations of international projects of comparable nature and degree of complexity.	35%		
Desired			
2.1 Minimum 2 assignments/projects in the past 10 years directly relevant to integrated natural resources management	15%		
2.2 Minimum 1 assignments/projects in South-East Europe	10%		
Section 2: Approach and Methodology	20% total		
Approach to the requested Assignment: detailed description of the methodology how the Participant will achieve all objectives and tasks and deliver all outputs as described in the Terms of Reference of the assignment, keeping in mind the appropriateness to local conditions.	15%		

Risks / Mitigation Measures: description of the potential risks for the implementation of this assignment that may impact achievement and timely completion of expected results as well as their quality. Describe measures that will be put in place to mitigate these risks.	5%		
--	----	--	--

Scoring for each evaluated section will be made as following:

Section 1 – Expertise and work experience: For Section 1 score starts at 100 points (when minimum requirements are met) and can reach 150 points depending on the description of the participant and the number of projects implemented in excess of those required as a minimum. (100p Base +10p for extra criteria over base up to 50 additional points)

Section 2 – Approach and Methodology: For Section 2, score starts at 100 points and can reach 150 points depending on the length, detail, depth, and structure of the information provided.

Each Section/evaluation criterion is evaluated autonomously. The final scoring of each evaluation criterion is the outcome of its scoring multiplied by the corresponding weighting factor. The overall score of the technical offer is the sum of the final scoring of all the Sections/evaluation criteria.

The overall score of the technical offer is calculated on the basis of the following formula:

$$B_i = w_1 \times c_1 + w_2 \times c_2 + \dots$$

For the overall score which will determine the ranking of offers, technical evaluation will be weighted with 80%, and the financial offer with 20%.

The final listing of the most advantageous offers will be made on the basis of the following formula:

$$\Lambda_i = 0,8 * (B_i/B_{max}) + 0,2 * (K_{min}/K_i).$$

Where:

- Bmax: the max score received by the best of the technical offers received
- Bi: the score of the technical offer
- Kmin: The cost of the financial offer with the minimum price offered.
- Ki: The cost of the financial offer

The most advantageous offers is the one with the greater value of Λ .

In case of equality of overall scores, the retained proposal is the one whose corresponding technical proposal received the highest rating.

Duration of the Contract

The overall duration of the contract will be maximum 4 months.
