3. High quality approach, methodology and project management. Each candidate must include in their offer, a presentation of their approach/method that they will apply for the management of this project and a tentative project timeline in order to ensure a high-quality result on a very tight schedule.

Awarding Criterion and Evaluation process

The Award criterion is the most economically advantageous tender on the basis of best price / quality ratio.

Offers shall be evaluated as follows:

Offers qualified in terms of exclusion grounds and selection criteria will be further evaluated on the basis of the requirements presented under section “Qualification and Experience”, as follows:

Name of Firm / Participant:			
(i) Criterion	(ii) Weighting (w)	(iii) Points of criterion (c),	(iv) Score = (ii) x (iii)
1. A minimum of three 2D animations (of minimum length 30 seconds each) already produced is required.	50%		
2. Quality of Portfolio assessment. <ul style="list-style-type: none"> • High degree of customization of drawings • Full range of colour palette • Strong storytelling techniques • High inspirational power • Attractive and visually appealing artistic approach 	25%		

3. Assessment of quality of approach, methodology and project management proposed	25%		
Total	100%		

Scoring for each evaluation criteria starts from 100 points (when minimum requirements are met) up until maximum 150 points (100p Base +10p for extra criteria over base up to 50 additional points). Scoring for each evaluation criteria starts from 100 points (when minimum requirements are met) up until maximum 150 points

For Criterion 2 Quality of Portfolio assessment score starts at 0 points and can reach 150 points depending on the level of customization of drawings, the range of colour palette, the quality of storytelling techniques, the inspirational power of projects included in the portfolio and the artistic approach.

For Criterion 3 High quality approach, methodology and project management starts at 0 points and can reach 150 points depending on the length, detail, depth, and structure of the information provided.

Each Section/evaluation criterion is evaluated autonomously. The final scoring of each evaluation criterion is the outcome of its scoring multiplied by the corresponding weighting factor. The overall score of the technical offer is the sum of the final scoring of all the Sections/evaluation criteria. The overall score of the technical offer is calculated on the basis of the following formula:

$$B_i = w_1 \times c_1 + w_2 \times c_2 + \dots$$

For the overall score which will determine the ranking of offers, technical evaluation will be weighted with 80%, and the financial offer with 20%.

The final listing of the most advantageous offers will be made on the basis of the following formula:
 $A_i = 0,8 * (B_i/B_{max}) + 0,2 * (K_{min}/K_i)$.

Where:

B_{max}: the max score received by the best of the technical offers received

B_i: the score of the technical offer

K_{min}: The cost of the financial offer with the minimum price offered.

K_i: The cost of the financial offer

The most advantageous offers is the one with the greater value of Λ .

In case of equality of overall scores, the retained proposal is the one whose corresponding technical proposal received the highest rating.

Duration of the Contract

The overall duration of the contract will be maximum 2 months.
