--	--	-------------------------------------------------------------------------------------------------------

Note: All the above sessions are closed sessions.

11.10 – 11.40: Feedback by Stakeholders

Questions – part I:

- Do you find the WEMDST useful? Do you consider this a step ahead to enable appropriate WWT planning in the future?
- What are the current significant issues in the planning process?
- One of the difficulties faced during the implementation of the pilot project was Data collection; Do you think that this may influence the WWT planning in the future?

11.40 – 12.10: Feedback by Stakeholders

Questions – part II:

- What is the major relevance of the project results to the Shkodra Municipality?
- Do you think that the WMDST will enable the improvement of Integrated Management of Water Resources in the City?
- Do you consider this Tool as supportive to the users at local and national level?
