AIP Results Framework
A simplified results framework of the programme is provided below:

**Impact**
- $30 billion leveraged by 2030 towards water and sanitation related investments
- 250 million people benefit from economic opportunities generated through AIP investments
- 4 million indirect jobs created for vulnerable poor youth, women and girls
- 1 million direct jobs created through AIP related investments in water and sustainable sanitation
- Economic migration and population displacement significantly reduced;
- Climate resilient development, water security and sustainable sanitation

**Outcomes**
- improved investment outlook for developing and managing water resources, and improving water and sanitation related services
- SDG 6 investment cases on Water and Sanitation developed and support job creation, gender empowerment and industrialisation
- the profile of water as an essential ingredient of sustainable development raised.

**Key actors influenced**

**Support delivered**
(through an SDG 17 approach informed by sound economic analysis)

- Improving policy, planning and financing
- Developing Knowledge and Capacity
- Strengthening Partnerships
